Created in 1981, the BESFI Summer Workshop is designed to provide professional training for serious students of ballet. The Ballet Education and Scholarship Fund, Inc. is a not-for-profit organization, one of whose purposes is to provide the highest quality training at an affordable price which now includes, for the Advanced and Adv./Inter. programs, an optional evening class Monday-Thursday 7:00-8:30PM.

As you can see from the staff credentials outlined below, BESFI continues to attract an outstanding faculty of Master Teachers. The same care is taken in the selection of students. Again this season, a special effort is being made to attract male dancers in order to take full advantage of the teaching staff and pas de deux classes. Three dedicated male tuition scholarships have been set aside to fulfill our goal.

Over the past thirty-five plus years, the BESFI summer program has stressed a full range of classwork. Although varying slightly year-to-year, courses offered include classical technique with specialized classes in variations, pointe, beats and turns, character ballet, pas de deux, port de bras, contemporary/modern dance and theatrical dance. Detailed scholarship information on competitive scholarships appears on the inside back cover of this brochure. For further information call: (631) 584-0192.

The workshop will be held from July 18 through August 26 at the Seiskaya studios located at 7 Flowerfield, Suite 16, St. James, Long Island, New York 11780, (631) 862-6925. Class size is limited. Both large, air-conditioned studios feature resilient composite flooring, mirrors and dressing rooms with showers. Daily transportation to and from the St. James railroad station, which is on the L.I.R.R. Port Jefferson Line, will be provided on request at no cost.

Under the artistic direction of Mme. Valia Seiskaya, the BESFI Summer Program has attracted a prominent staff of instructors. Each staff member brings a broad range of dance experience and expertise. Although generally favoring the Vaganova teaching method, the staff will offer a varied approach, as indicated by their backgrounds.
